The Collaborative welcomes residents as well as visitors from far and wide to enjoy the outstanding museums and attractions that Bristol has to offer.

The Collaborative aims to represent the town in the best possible light at local events and to market and represent Bristol beyond its borders. Working together, it presents exceptional programming and special events at affordable prices to the Greater Bristol community.

More than ten years ago, the Museum Collaborative was organized to facilitate collaboration among the Bristol-area museums in order to provide a high-quality cultural experience to the residents of Bristol and its extended communities. The Collaborative aims to represent the town in the best possible light at local events and to market and represent Bristol beyond its borders. Working together, it presents exceptional programming and special events at affordable prices to the Greater Bristol community.

Celebrating a decade of museum collaboration, cooperation, and communication.
