

It's Maple Sugaring Season!

Call today to schedule your field trip to Indian Rock Nature Preserve for Maple Sugaring: Past-Present

Through hands-on activities, students will experience:

- How to identify a maple tree, tap a tree, collect sap, and make syrup at the sugar house.
- Learn about the structure of a maple tree and why sap only flows in the spring.
- Native American legends, traditions, and techniques for making maple sugar.
- Historical and modern methods used for turning sap into syrup including a visit to our mobile sugar house.
- Sample 100% pure maple syrup.
