

2023 Counselor-in-Training (CIT) Application

Indian Rock Summer Camp utilizes natural science to foster enjoyment and an appreciation for outdoor activities related to archery, canoeing/kayaking, woodworking, smithing, mindfulness, farm life, and more. As a CIT, you will work with our Camp Counselors to help young campers explore the natural environmental of the Indian Rock Nature Preserve.

Additionally, CIT's assist our Camp Counselors with duties including supervision during recreation and meal times, teaching programs, camp preparation, clean-up, and walking campers to destinations. CITs serve as positive role models for younger campers, and help create a supportive camp community.

CIT Application Process:

Upon reviewing your application, you will be invited to Indian Rock for an informal interview to ask any questions you may have and go over roles, responsibilities, and expectations in more depth. Spots are limited and open until filled.

Training Week Information:

CIT training week will be held June 19th-23rd, 2023. Training week attendance is mandatory. The price to attend the CIT training week is \$260. Upon passing the CIT training course, you will be scheduled, free of charge, to camp groups based on your availability and at the discretion of the CIT Coordinator.

Please submit your completed application to Lauren Prior at lprior@elcct.org.

Name: _____ Date of Birth: _____

Address: _____ City: _____

Zip Code: _____

Cell Phone: _____

Email Address: _____

Guardian's Name: _____

Phone Number: _____

Guardian's Name: _____

Phone Number: _____

Age as of June 19th, 2023: _____

Grade in School (Fall 2023): _____

List extracurricular activities (sports, clubs, jobs, hobbies, etc.) that you may be involved in:

List any positions of leadership you hold or have held in or outside of school:

Why are you interested in becoming a CIT at Indian Rock Summer Camp? What do you see as your role during camp this summer?

What do you hope to gain from being a part of the CIT program?

Camp Activity Skills Inventory:

CITs assist in teaching a variety of activities. Put a “1” next to those activities in which you are accomplished; a “2” next to those activities in which you have some experience; a “3” next to those activities in which you may not have experience, but have interest in learning more about. Put a “4” next to any activity that you do not have much interest.
